- Continuous enlargement of media networks including daily contact with media partners to establish and execute various cooperations.
- Manage internal and external communication plans, including social media (Meta, LinkedIn), press releases, newsletters, and ads.
- Work closely with brand marketing to develop and create fitting layouts and messages for all channels.
- Collaborate with media-, partner-, sales- and event-department to ensure alignment across all communication channels.
- Oversee and support the creation of multimedia content (articles, videos, interviews) for corporate platforms.
- Monitor and analyse marketing campaigns to generate insides for internal and external stakeholders.
- Flexibility to travel frequently and work according to the EHF Club Competitions schedule.

Your competencies:

- Strong interest in handball and international sports events.
- Excellent communicational skills; fluency in written and spoken English and German.
- Good skills to work with MS office programs and in digital work processes.
- Basic knowledge of Adobe Photoshop, InDesign, Illustrator, Premiere is a plus.
- Structured, detail- and solution-oriented way of working; hands-on mentality.

Your experiences: Marketing. Channels. International.

- 3-4 years of professional work experience in marketing, communications, or media.
- Work experience in an international environment with different cultures and languages.
- Broad knowledge and experience in developing and managing marketing and/or communications efforts across all online and offline channels.
