## FOUR TEAMS READY TO BATTLE IT OUT FOR THE COVETED TROPHY

Four teams from three different countries travel to Budapest for the 11th edition of the EHF FINAL4 Women on 31 May/1 June 2025. MVM Dome in the Hungarian capital once again provides the centre stage for what promises to be yet another tantalising final tournament as Györi Audi ETO KC, Team Esbjerg, Metz Handball, and Odense Håndbold all *dare to rise* to the occasion and aim to lift the trophy as the EHF Champions League 2024/25 winners.

The 32nd season of the EHF Champions League Women started its group phase in September 2024 with 16 teams, all hopeful to embark on an extensive 2024/25 adventure.

However, the strength and depth of the field in Europe's topflight competition has made for a challenging Road to Budapest as only four of the 16 teams could stamp their EHF FINAL4 ticket.

The 2025 edition of the marquee event in international women's club handball features three teams that also competed for the trophy last season, as defending champions Györ, Esbjerg, and Metz all return to Budapest to have another shot at glory. Completing the quartet of title contenders are Odense, who have qualified for the first time in the club's history.

Györ and Esbjerg have the honour to get the on-court proceedings at MVM Dome underway when they play the first semi-final on Saturday 31 May at 15:00 CEST.

Györ aim for what would be the Hungarian powerhouse's record-extending seventh EHF Champions League trophy. But they first need to get past strong Danish opposition. Esbjerg appear in their fourth straight EHF FINAL4 and finally hope to take the next step and reach the final for the first time.

The second semi-final, at 18:00 CEST, pits Metz against Odense. Just like Esbjerg, Metz are competing in their fourth EHF FINAL4. Still unbeaten this season, the French team eye their first final in the EHF Champions League.

Adding to the Danish firepower in Budapest are Odense, the newcomers to the EHF FINAL4. Having scored an impressive average of just over 30 goals per match this season, anything seems possible on their debut.

All handball fans, whether they are at the arena or follow the event from home, can look forward to two intense days full of drama and excitement.

Enjoy the EHF FINAL4 Women 2025!

# FACTS

An interesting blend of four teams is set to play at the EHF FINAL4 Women 2025 on 31 May/1 June. Last year's participants Györi Audi ETO KC, Team Esbjerg, and Metz Handball have all qualified again, and this time they are joined in Budapest by debutants Odense Håndbold.

While defending champions Györ lifted the trophy for a record sixth time last season, Esbjerg, Metz, and Odense aim for their first title in Europe's topflight.

### WHAT HAPPENS IN CASE OF A DRAW/ AFTER 60 MINUTES

All matches of the EHF FINAL4 Women 2025 shall be played in 2 x 30 minutes with a half-time break of 15 minutes.

If a semi-final match or the final (place 1/2) ends in a draw, there will be a five-minute break followed by one overtime of 2 x 5 minutes and a one-minute half-time break for the changeover of teams.

If the 3/4 placement match ends in a draw, there shall be no overtime and the match will be decided directly by penalty shots.

#### RULES FOR EXECUTION OF PENALTY SHOTS

If penalty shots are needed to decide the match, the procedure is as follows:

> Prior to the penalty throws, each team shall name five players eligible to play at the end of the match by handing the referees a list of numbers. These players shall then

take one shot each, alternating with their opponents. Each team is free to determine the sequence in which players will take their shots.

> The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take shots and players may perform as goalkeepers.

> At the Technical Meeting the teams will be informed at which goal the penalty shots will be taken. The team taking the first penalty shot shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to shoot first or last.

> If the scores are equal after the first round of penalty shots, it shall be continued until a decision is reached. In the second round, the other team shall start. Again five players shall be named who are eligible to play (the players named before may be named once again).

> In the second round, a decision is reached when a goal difference arises after both teams have taken one shot each.

> Eligible players are players entered in the match report that have not been disqualified or suspended at the time of the final whistle.

> Serious infractions committed during penalty shots shall be sanctioned by disqualification. If a shooter is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.

> While the shots are taken, only the player taking the shot, the current goalkeeper and the referees may enter the respective half of the playing court.

> If the number of eligible players falls below five, players may be named to take a second shot in the same round.

## MAIN FACTS

- > Odense are the only debutants in Budapest; in their six CL seasons so far, they have reached the quarter-finals four times
- > the Danish team finished third in group B with 20 points, just one point behind second-placed Esbjerg — and now both are at the EHF FINAL4
- > in the knockout stage they eliminated Storhamar Handball Elite (58:21 on aggregate) in the play-offs and FTC-Rail Cargo Hungaria (52:51 on aggregate) in the quarter-finals
- > Odense boast the fastest attack among the four teams, with 30.22 goals scored per game on average and 544 in total
- > Ole Gustav Gjekstad is in his final season with the club — he is coach of Norway and will be replaced by HB Ludwigsburg's Jakob Vestergaard
- > three years after winning their last Danish league title, Odense can take it again when they meet Esbjerg in the play-off final in June
